

## THE FINLEY CORE VALUES

# *YOU are The Finley Hospital*

**You** are what people see when they arrive here.

**Yours** are the eyes they look into when they're frightened and lonely.

**Yours** are the voices people hear when they ride the elevator, when they try to sleep, and when they try to forget their problems.

**You** are what they hear on their way to appointments that could affect their destinies and what they hear after they leave those appointments.

**Yours** are the comments people hear when **you** think they can't.

**Yours** is the intelligence and caring that people hope they'll find here.

If **you** are noisy, so is The Finley Hospital.

If **you** are rude, so is The Finley Hospital.

And if **you** are wonderful - so is The Finley Hospital.

All they can know is what they see and hear and experience.

And so The Finley Hospital has a stake in your attitude and in the collective attitudes of everyone who works here.

We are judged by **your** performance.

We are judged by the care **you** give, the attention **you** pay and the courtesies **you** extend.

Thank *you* for all you are doing.
